# UNXT - Curriculum Snapshot

# Affiliations and Value Additions

## Blended Learning

Student Data captured on Cloud based Training Management Platform

Free online courses powered by IBM, offered by Unnati

Student registration on NSDC Portal

Assured Placements for UNXT Trained Youth

# Digital Certification

Certification is provided through a digital platform called Certif-ID.

This platform allows students to upload their video CVs and other documents that are required by recruiters.

Companies will directly shortlist and hire students from this platform.

The students get a lifetime access to Certif-ID and can continuously update their skills and professional experience on the platform

# Impact Assessment

- Impact Assessment through Psychometric Analysis.
- Students tested on Day 1 & Day 30
- UNNATI CMAPP - a multilingual mobile based application.
- Pro bono test suite developed by Life Values Inventory, USA.

## UNNATI CMAPP
